BUILDING RESEARCH CAPACITY

Update from the CAPRI Steering Committee

NEWS

- **CAPRI** welcomes two new members to our team to help us steer for the remainder of 2021- Ms Libby Soderholm, and Mr Ton Wiegman (see below)
- **APA** helped developing a flyer to help advertise, please see the website
- **CAPRI's** soft launch was successful, we will now start a firm launch
- **InMotion** publication on the launch of CAPRI can be expected in April
- **CAPRI** team submitted an MRFF grant and starts a pilot study in Sydney.

Steering Committee

Ms Libby Soderholm

Libby joined CAPRI steering committee as a private practice representative in November last year.

Libby is a sports Physiotherapist and Managing

Director of two multidisciplinary-Allied health Clinics in Western Australia.

She is the APA Australian representative for the International Private Physical Therapy Association (IPPTA), a subgroup of WCPT, and works with the Physiotherapy Board of Australia on their registrations and notifications Committee.

Management Team

Mr Ton Wiegman

Ton joined CAPRI management team as project data manager in April this year.

Ton is an IT professional with over 30 years of experience in IT as data analyst, application manager and project manager.

In his role at CAPRI, Ton will be looking after the technical functionality of the CAPRI website along with any trouble shooting and safe storage of CAPRI data.
