

# Join this initiative and help grow the evidence-base and research capacity of the profession

BUILDING RESEARCH CAPACITY

## Update from the CAPRI Steering Committee

- Participants numbers are increasing, but **we really need more clinicians to participate** and leave their contact email in the [survey!](#)
- Participation also counts towards **clinical professional development!**
- **In case you missed it** - see our [promotional video!](#)
- Please continue to **follow, like and share our [Instagram](#)** and encourage others to!

## Meet the Steering Committee members!

### Mr Rik Dawson

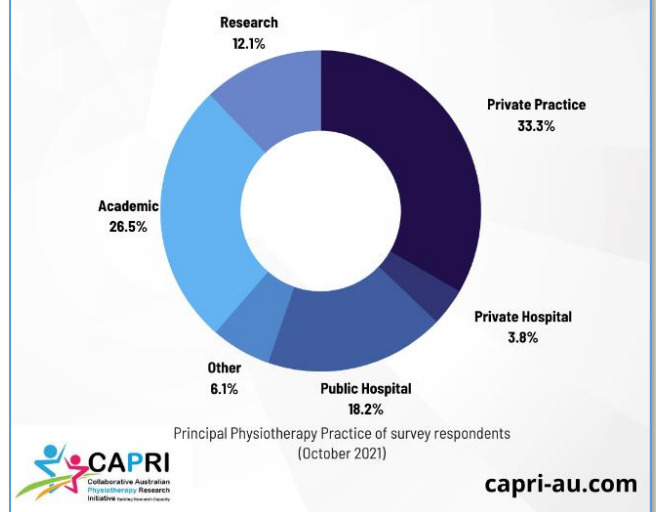

Rik Dawson graduated from Sydney University in 1993 and after working in paediatrics switched to aged care in 1998.

Rik is a titled Gerontological Physiotherapist and is a Director for the Australian Physiotherapy Association. Until recently Rik owned and operated Agewell Physiotherapy for over 20 years and employed physiotherapists and Occupational Therapists to work in residential care, home care and NDIS.

At present, Rik is pursuing his PhD in aged care with Sydney University, with a focus on telehealth for older people.

## WE NEED MORE PHYSIOTHERAPY CLINICIANS TO PARTICIPATE IN CAPRI!
